

February 21, 2018 • Bethel College • 9am-3pm

**The Kansas vision for education places a high priority on Social-Emotional Factors and this workshop will focus on the affective domain by including methods to infuse Character Education into our curriculum. Don and Leigh will also present some tried and true team building activities as well as focus on how to get our students to develop a growth mindset. Their philosophy for this dynamic workshop is to “give teachers current practical information and content they can immediately implement into their classroom curriculum.”**

The 2018 KAHPERD Winter Workshop will be held on February 21, 2018 from 9am to 3pm at the Bethel College campus in North Newton, Kansas. We are excited to bring you these talented presenters that will broaden your understanding of how to implement a positive learning environment that encourages students to develop a growth mindset to overcome challenges and setbacks and live healthy and active lives.

**DONALD R GLOVER** taught Physical Education for fifty years and his experience includes Elementary, Secondary, Adapted, Preschool, and University instruction. In 1981, Glover was recognized as Minnesota Teacher of the Year and was honored as the state's first Adapted Physical Education Teacher of the Year in 1989. He has written seven books, published numerous magazine and journal articles on Physical Education and sport and has been a clinician at more than 100 conferences and clinics. These clinics and conferences have been local, state, national and international. Glover also coached Cross Country, Basketball and Track for 50 years.

**LEIGH ANDERSON** currently teaches in White Bear Lake, Minnesota. In addition to her elementary classroom and intervention experience Leigh has taught at the Graduate level in the Masters of Teaching and Learning program at Saint Mary's University. Leigh also co-authored two books dealing with best practices in education and presented both nationally and internationally. Leigh holds a Bachelor's Degree in Elementary Education and a Master's Degree in Curriculum and Instruction.
